## NERALLT VIRTUAL CONFERENCE 2022

### Beyond the Classroom: Preparing Students for Real-World Engagement

#### FORMAT

- **20 Minute Individual/Group Presentation**
- **5 Minute Lightning Round Overview with time in the end for questions.**
- **1-2 Hours Workshop (hands-on)**

#### GREETINGS NERALLT MEMBERS,

Despite not being able to meet in person, last year's meeting over Zoom was well received. The presentations were engaging and well attended. Though we are disappointed that we are unable to meet in person once again, we are determined to provide another engaging and worthwhile conference via Zoom. The good news is that we will be able to waive the conference/membership fee once again.

**NERALLT 2022** invites conference proposals that discuss projects, ideas, and initiatives related to real-world experiences. This may include but is not limited to travel, current events, global citizen competence, intercultural competence, the role of vernacular in language acquisition, specialized vocabulary for career goals, etc.

**Guidelines for Proposals:** Please submit a 150-word maximum abstract [HERE](#).

Presentation titles should not exceed ten words. There is only one abstract submission per person, but a presenter may appear as a co-author (but not the first author) on other submitted abstracts. An author may also submit another proposal in an additional category (e.g., a lightning round overview). All proposals for consideration must be submitted online and will not be accepted after **June 3**.
